Talk Topics

Talk about the time you first understood the real meaning of Easter.

What's one Easter tradition you have or would like to start that helps you understand and appreciate Jesus' sacrifice?

Why are both the death of Jesus and His resurrection so important to our faith?

Ask friends or family members what they believe about Easter and why. Use this as an open dialogue to understand their beliefs and share yours.

Daily Challenges

Choose one or more to do this week.

- What do you need to change to really live in light of the Resurrection? Ask God how to change in those areas, and let Him do the work of showing you your new life.
- Start each day with a prayer, thanking Jesus for dying for your sins and for coming back to life. Let His death and resurrection be the framework for each day.
- Make a simple tombstone with some things that represent sin & death, pray each day that God will help you truly find abundant life and leave those things behind. At the end of the week, throw away the tombstone and make a commitment prayer to embrace life in Jesus.
