Talk Topics

Why is sin so harmful?

What can you do when you feel tempted to sin?

How can you reduce the opportunities for sin and temptation in your life?

What are some examples of sin in the world today, and its impact?

Daily Challenges

Choose one or more to do this week.

- What activities offer temptation to you? Watching TV? Surfing the Internet? Take a week away from these activities. Use your extra time to seek God, read your Bible, pray, develop a spiritual friendship.
- Do pain, trauma, or just plain bad decisions from your past still affect you today? Let these things die. Write them all down, pray to God to give you the ability to let them go, and then bury the paper(s) in the ground. Thank God for your past, because it's made you who you are today, but let it die so that your future can live.
- Pick one good action to commit to this week. Whenever you face temptation, refocus your thoughts on that good action.
