Daily Challenges

Choose one or more to do this week.

- Choose one temptation that you repeatedly experience. How you respond to it? Do you resist? Give in? What strategies have helped you overcome it in the past? Determine what you will do next time you're tempted in this way, and be prepared to lean on Jesus and overcome!
- Choose a meaningful Scripture verse for help during temptation, and copy it onto a sticky note or index card. Keep it handy, and when you find yourself facing temptation, look at it as a reminder of the help Jesus offers.
- Change a behavior this week that causes you to give in to temptation. Perhaps you should not go to a certain place, spend time with a specific person, or participate in a particular activity. Whatever situation it is that challenges your resolve, eliminate it this week, see how that might help you make the right choices.
