## Talk Topics

When you think of God's holiness, what do you think of? Why?

What about God do you find worthy of your worship?

In what ways do you worship God in your life?

Why is God's holiness an important characteristic to recognize?

How do people tend to respond to God? How do those responses honor or dishonor His holiness?

## Daily Challenges

Choose one or more to do this week.

- Set aside at least an hour to worship God in your own way. Sing worship songs; go on a hike to enjoy the beauty of God's creation; create art, any way you'd like to express your praise! Thank God just for who He is.
- Is there an area of your life where you've noticed you haven't really been living up to God's holiness? Spend time in prayer, and ask for the wisdom and strength to make the changes. Ask God to send you onto the path He has planned for you.
- What does "God is holy", mean for the way we live our lives? Take a piece of paper and write "God is holy, so..."; reflect on ways you can respond to God's holiness, by writing "I" statements. For example, "I am in awe of Him" or "I want to serve Him."
