Our friends and neighbors, our city, our state, our nation and our world as we all go through this world-wide disruption of our lives together.

Pray we pull together rather than divide and Christians all over the world are able to turn these times into opportunities to further the work of the Kingdom of God!

Our prayer is for all to be moved by the Holy Spirit during worship into a deeper relationship with Jesus Christ

We are excited to be able to worship together again as a church body! We understand that not everyone is able to or comfortable gathering again immediately, so we will continue our streaming online worship offerings all summer, see our website for details.
