Our friends and neighbors, our city, our state, our nation and our world as we begin the new year. Pray we pull together rather than divide and Christians all over the world are able to turn our times into opportunities to further the work of the Kingdom of God!

Our prayer is for all to be moved by the Holy Spirit during worship into a deeper relationship with Jesus Christ

I love to tell the story, for
those who know it best seem
hungering and thirsting to
hear it, like the rest. And
when, in scenes of glory, I
sing the new, new song, twill
be the old, old story that I
have loved so long.
