# VBS 2022 WAS

A BIG thanks to everyone that had a part in making VBS Monumental this year!! Everything big and small was so appreciated!

One highlight was that we had 63 middle/high schoolers who helped throughout the week. We are so grateful for their help and they are amazing volunteers!

We think it's important for our awesome VBS student volunteers to have some extra fun just for them.

A special shout-out goes to Addison and Ainsleigh Kratky! These two sisters approached us earlier in the year and shared their passion for getting clean water to the people who need it most. We tasked

On Monday afternoon of VBS week, we went to the zoo.

them with heading up this fundraising event for our VBS week. They created their presentations for each day of VBS including videos, facts, and a progress poster. We originally set the goal for \$600. We hit that goal on Wednesday of that week, so we increased the goal to \$1200. Thanks to these girls' efforts and the generosity of our VBS kids, families, LCM members, and a \$10,000 anonymous donation, we were able to raise \$12,700 to be given to the Charity Water project. To celebrate, Cliff Towers, aka Pastor Jonathan, got pied in the face!

On Wednesday afternoon, we enjoyed donated Arby's meals and a picnic in the park with a rousing game of wiffle ball and other activities.

On Friday, 25 students helped take down and put away VBS decorations. They also participated in the 2nd annual tape ball creation.

One of the kids named these ladies the "Granny Snack Ladies."

We are so thankful for these wonderful women and for all our MONUMENTAL volunteers!

Psalm 33:11 "But the Lord's plans stand firm forever; His intentions can never be shaken.

I have never been a fan of change. It is super hard for me. Can anyone else relate? I found this Bible verse and it calmed my soul. We don't have to hate change. We can cling to the promise of our Lord and Savior - His plans are perfect! They stand firm for me and you! They will never change! -Debbie Lubker

# Stephen Ministry

*Journeying through Grief* is a set of four short, easy-to-read books that offer words of comfort and hope to those grieving the loss of a loved one. The books are given to grieving people at specific times during the first year after a loved one dies. Each book focuses on what the person is likely to be experiencing at that time and provides care, assurance, encouragement, and hope. Books are available for free at the church office.

## Book 1 | Chapter 8: *The Fog of Grief*

Grief causes a fog to roll into our lives. The fog of grief can affect our ability to think or concentrate. This fog often sets in right after a loved one has died. But even after the shock wears off, the fog can linger.

One grieving man said that he came out of a grocery store, pushed his cart full of groceries to his car, then got in his car and drove home – leaving the groceries behind. Another woman described how she'd read the same page of a book five or six times and still couldn't remember what she'd read.

What happens is that our grief gets so heavy that it surrounds us, clouds our minds, and interferes with our ability to think clearly. We're on overload. A few ways people describe this feeling are: "going through the motions", "functioning at 50 percent", "forgetful, confused and indecisive", "on a 10 second time delay".

If you're stuck in the fog of grief, be patient with yourself. For now, try to avoid tackling anything that is difficult or requires a lot of concentration. If you must do such a task, ask someone to help. Be extra careful when doing potentially dangerous activities such as driving, cooking, yard work, or home maintenance, since people tend to be more accident-prone during grief. If possible, avoid making major or irreversible decisions until you reach a point where you can clearly think through all the long-term implications. The fog is normal, but is only temporary. It may linger at times or come and go for a while, but sooner or later it will lift.

*Journeying through Grief* books are available from any Stephen Minister or at either office.

# What is Jesus' Discipling Curriculum?

Pastor Jonathan Haseley

"Of course he isn't safe. But he's good."  
~ Mr. Beaver describing King Aslan the Lion

Life as a disciple of Jesus is not safe, and it is not comfortable. But it is good.

Look at what Jesus says in the Gospels: "Whoever wants to be my disciple must deny themselves and take up their cross and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me will find it. What good will it be for someone to gain the whole world, yet forfeit their soul? Or what can anyone give in exchange for their soul?" (Matthew 16:24-26).

As Pastor Greg Finke states, "Joining Jesus on his mission costs us our lives. But it is a good transaction because, in the process of losing our lives, we finally gain lives that are truly fulfilled and fruitful. We, of course, don't trust this intuitively. At least, not at first. We need to be trained (discipled) by Jesus to gain such confidence. Being trained by Jesus gives us the critical experience we need with Jesus to have more confidence in Jesus" (133).

In order to do this, Jesus uses himself as the curriculum! Jesus trains his followers through a process of Proclamation, Imitation/Participation, and Replication. Three main places where we can watch Jesus and then imitate him are (1) in the gospels, (2) in daily life, and (3) in the lives of other experienced Jesus-followers. All three of these should be included in our discipling curriculum.

If we want to disciple our family and friends using Jesus' full curriculum, we certainly need to guide them to the written words of the gospels and help them look for Jesus at work in everyday life.

However, they also need a close relationship with someone who is an experienced Jesus-follower so they can see what living life with Jesus looks like. This is the part of Jesus' discipling curriculum that takes the most effort (135).

If we are going to follow Jesus' discipling curriculum, we will need to move beyond programs and start investing ourselves in the ones we are discipling.

What are some of the factors in building this kind of relationship? According to Pastor Greg Finke, consider the following (136-138):

- (1) Carve out time and space for it
- (2) Ruthlessly eliminate hurry from your life [Dallas Willard]
- (3) Be happy to see the one(s) you are discipling
- (4) Tell stories
- (5) Offer regular, unhurried access to your life as the experienced Jesus-follower

As Jo Saxton, a discipleship veteran, reminds us, "Imitation requires access to your life." Such access and honesty foster an "into-me-see" level of trust and discipleship. Yet, we fear looking weak or revealing our shortcomings. As uncomfortable as it may be, our falling-down stories can be a rich source of wisdom and training for others.

Jesus' discipling curriculum requires that we invest ourselves in the people we are discipling. This is exactly what he did with his disciples in the gospels, and this is what he is calling us to do with him today!

# LCM Mission Update

Update from  
Pam Burklund

With the continual unrest in Haiti, it is unclear at this time whether we will be able to go to Haiti to help with the school distribution event as we have the past few years.

Now more than ever, the children of Haiti could use your help. Mission-Haiti is working hard to keep all programs in full swing whether Americans are present in the country or not in order to keep life as 'normal' as possible for the children and families. Attending school is part of keeping life 'normal' and the school distribution event which provides shoes and supplies to over 2600 children will still take place whether we can be there to help or not.

Did you know that children in Haiti as well as children around the world are unable to attend school just because they don't have the needed school supplies? In the majority of the developing nations, the privilege to attend school comes at a price. To be able to attend school, children and their parents must not only pay school fees, but they must also provide their own school supplies and have the appropriate school uniform and shoes. If any one of these items is missing, school is not even an option and the children will spend their days fetching water, taking care of their younger siblings, and working to obtain food.

Would you be willing to send a child to school with the tools needed in order to succeed?

Women from our church have been diligently sewing drawstring backpacks all year and now we just need the school supplies to fill them. For just pennies you can change the life of a child and his or her family--for we know that education is the key to breaking the cycle of poverty!

Below are the items needed to fill just one Lutheran World Relief School Kit. We are hoping to provide at least 150 kits. Any supplies that you can donate will be much appreciated and will help to change a life!!

### Items to Fill One LWR School Kit

- 70 page Spiral Notebook (4 per child)
- 5 Ballpoint Pens
- 5 Pencils
- 1 Pencil Sharpener
- 1 Large Eraser
- 1 Ruler
- 1 Box 24 Crayons
- 1 Pair Child's Scissors

### Additional Items Needed for Mission-Haiti

- New or Gently Used Backpacks
- New or Gently Used Closed Toe Shoes
  - Dress or Tennis Shoes
  - Sizes: Toddler - Adult 13
- Scientific Calculators (inexpensive)
- Other School Supplies:
  - Markers & Colored Pencils
  - Watercolor Paints Sets
  - Construction Paper
  - Craft Supplies

Please continue to pray for the people of Haiti: Praying that the people will turn to God for comfort and guidance and praying for peace for the nation. Pray also for each child that receives a school kit that they will hear the Gospel message and feel the hope and love of Jesus. Thank you in advance for all the prayers and support in sharing the love of Christ.

If you have questions, please call or text Pam Burklund at 402.619.0405.

## NEW Church Database - Exciting Things Are Coming Soon!

We have been working very hard to convert to our new church database system. We are EXCITED about the features and benefits that this new system offers!

Beginning in August, we will be switching our Online Giving to the new system and will be offering you assistance with this process. We are also looking forward to being able to register for events, classes, small groups, and "everything else LCM" using the new system.

With anything new, there are going to be concerns. Don't worry! If you need extra assistance or don't have internet access, we'll be glad to help! There will be a learning curve for everyone, but we are confident that this new system will enable LCM to accomplish many things that we have not been able to do in the past.

**What can you do to get ready?** First, does LCM have your current information? Is there anyone that we have in your household profile (such as adult children) who no longer live with you or attend LCM? Because this database system charges LCM per person, we really need to "clean house" on an annual basis. We won't delete anyone, rather just move their information into a different format.

Contact Michelle Kalin, LCM Connections Coordinator if you have questions or need to make changes.

Watch upcoming monthly newsletters for special news and "how-to" instructions about our new system!

## Update From Pastor Lewis

We want to make sure our church can do its job through appropriately designed, equipped, and maintained facilities, land, fixtures and equipment, giving our members and communities the space and tools they need to flourish as they work toward the mission and identity of LCM. Your continued support to the Building Fund allows our buildings to receive the constant attention they need to function properly, maintain a positive appearance and meet top safety standards.

For our East campus, bids are being received to expand the fellowship space in the lobby/narthex area. One of our vital behaviors as

one church is providing fellowship time together for relationship building. This expanded area will more than double our current space to gather in good conversation. We are also adjusting the way the campus will be heated and cooled.

For our West campus, we are preparing to combine the statistics that we collected and developed leading to the decision for expansion to the post-COVID data. COVID has been a challenging time for families and has changed the way LCM supports our faith community and fulfills our mission. Some of the issues and numbers still remain, but the majority have been significantly changed. The way families interacted with our church buildings fluctuated greatly in 2020 into 2021. But the last 12 months have seen steady patterns where we could present statistical evidence related to our pre-COVID experience. Look for this new information in August.

## Update From the Church Board

Summer has brought much activity to LCM. VBS was truly, MONUMENTAL this year. What an exciting outreach opportunity it was! We thanked Tracy Schmidt for her ministry to children and families, the Sudanese, and the One14 Pantry at the East campus on Sunday, June 19th. We wish her God's richest blessings.

At the Board meeting we considered the state of the current economy. It was decided that 20% of monies left after expenses at the end of each month be set aside in a reserve fund. 10% overage will be reserved for supporting families in need (over and above what is already budgeted) and an additional 10% will be held for LCM expenses that may occur in the future. Our staff will assist families needing help with food and financial needs, but they will also guide them to develop personal plans to help stretch their dollars and use their monies wisely.

West campus air conditioning has been fixed and they are enjoying the coolness of the space during worship and activities. The air conditioning East is needing to be repaired or replaced. Both options are being considered and when bids have been obtained a decision will be made. Please bear with us as we get the A/C up and running SOON!

In the near future, you should see the north transept pews and glass removed at the East campus. It will be GREAT to have all that open space to congregate after worship and share the love of Christ with each other. No worries, chairs can be set up in that area whenever more seating is needed. Please join me in praying for our pastors and staff as they help LCM and members of our community navigate the uncertainty that a recession brings.

- Ruth Schmidt, LCM Church Board
